GIVING TUESDAY (DECEMBER 2) is a global movement that encourages people and organizations to do good, make someone smile, help others, and give to those in need.

It has become a day when Canadians and businesses celebrate giving by participating in activities to support charities and non-profits. The day is dedicated to thanking, helping, showing kindness, and sharing what you have with others.

On December 2nd, consider giving a gift of time or talent to a local charity, or making a monetary donation during the holiday season.
